Form: CDFI 0036.

Abstract: This specific information collection will capture information related to Community Development Entity (CDE)/New Markets Tax Credit material events, as well as Community Development Financial Institutions (CDFI) material events, in a single form. The revised document will provide a more comprehensive list of potential material events to inform CDEs and CDFIs of the events that need to be reported to the CDFI Fund and will require the CDE or CDFI to affirmatively indicate, through a series of specific questions, whether or not the event will have an impact on areas of operations that are of particular concern to the CDFI Fund. This information will enable the CDFI Fund to better manage the Material Events review process and monitor the effects of Material Events on certification or compliance status.
